

Ministry Statement

**To reach the poor in spirit with the hope we have in Christ;
through the ministries of relief and recovery**

Ministry Model

To Reach the poor in spirit by leading them toward Christ

- Relief ministries embracing opportunities for Kingdom building worldwide (Compassionate Ministry projects, Work & Witness, Zambia Partnership project)
- Recovery ministries embracing opportunities for Kingdom building in our neighborhood
- Fostering relationships with those in areas of need through outreach and conversation

To Expose the need

- Travel to Africa, ongoing conversation and relationship with African Pastors and Missionaries
- Local participation in recovery circles and relationships with those in need of recovery

To Develop and Improve reliable systems of help

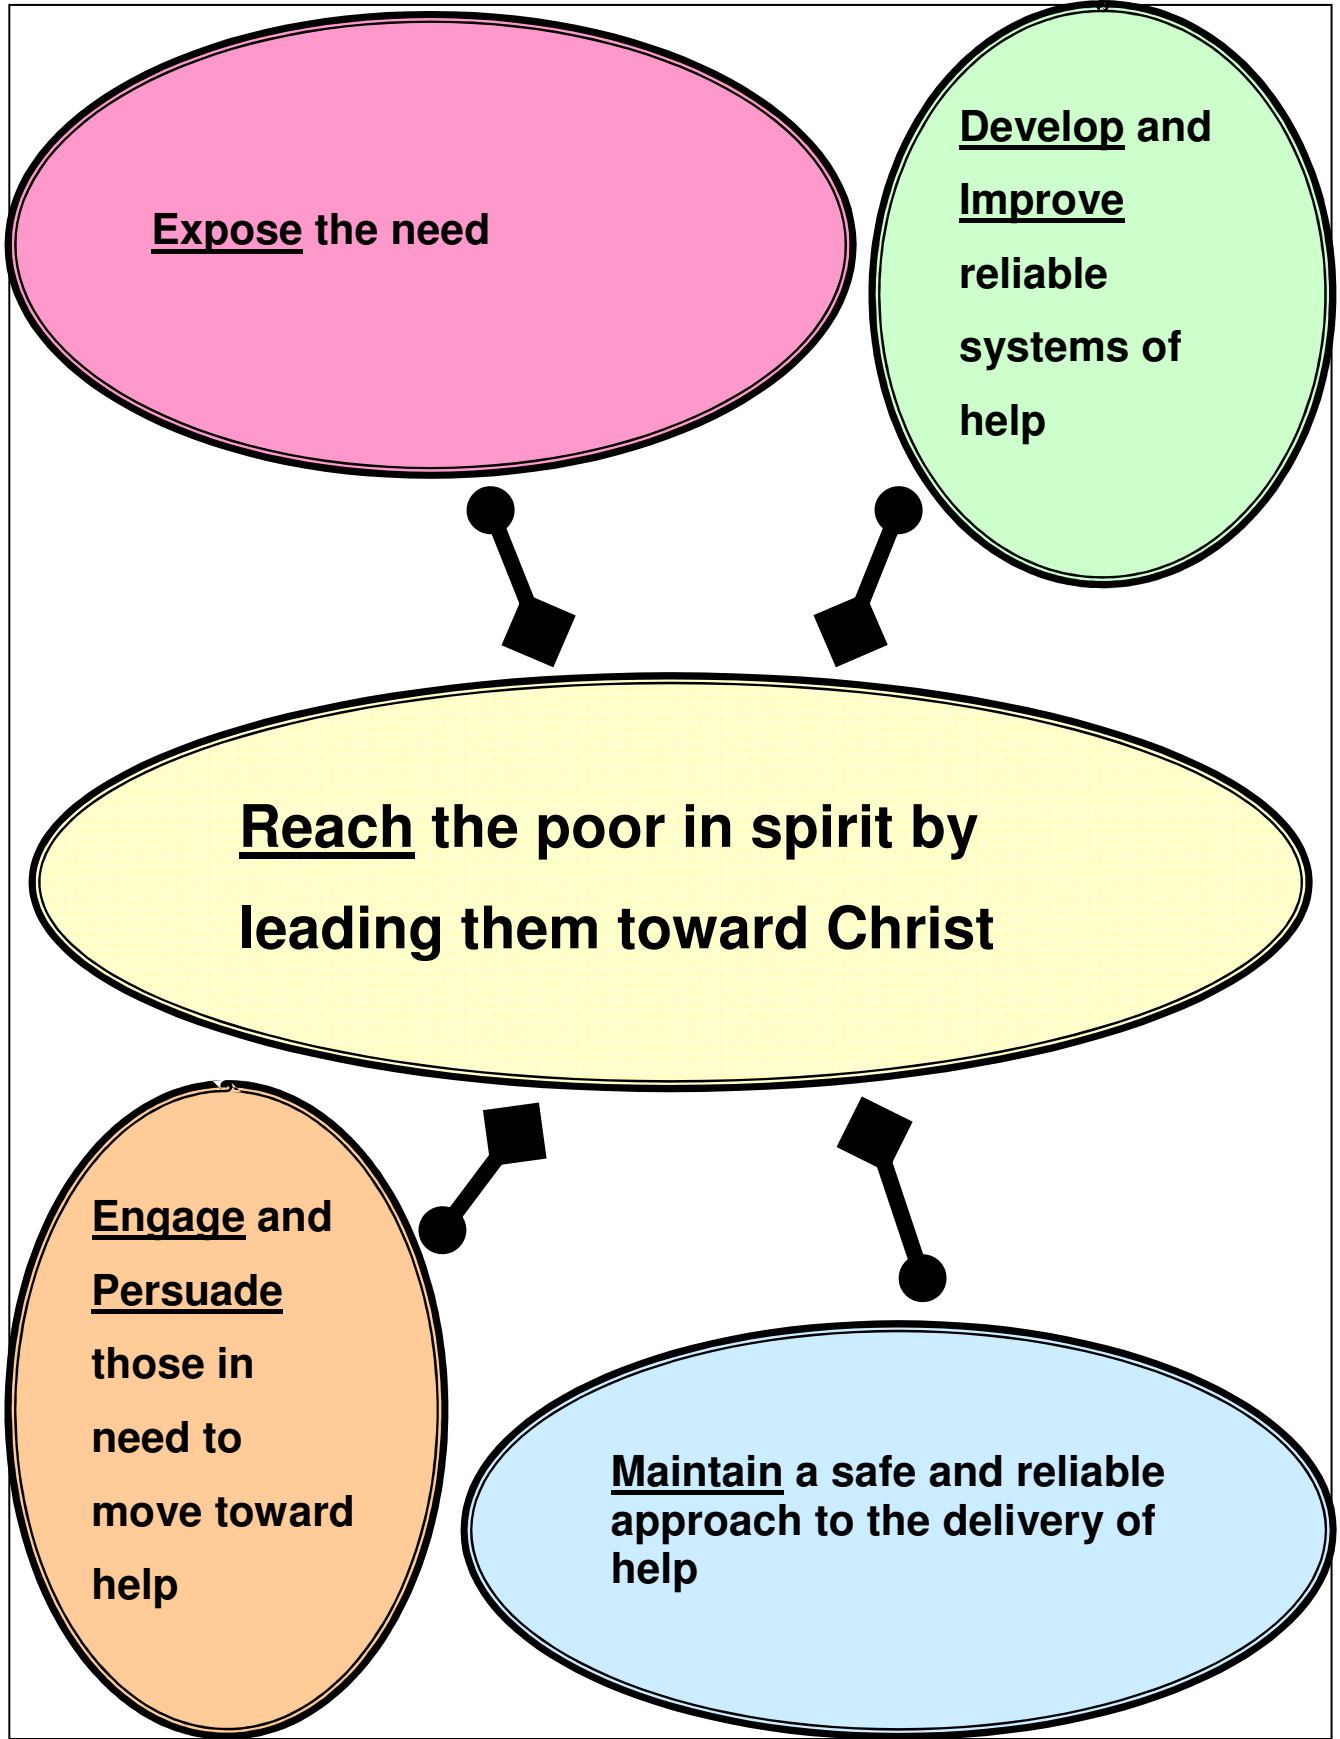

- Zambia Strategic Partnership
- Celebrate Recovery / Life Hurts God Heals / Confident Kids

To Engage and Persuade those in need to move toward help

- Strategic approach to Zambia Partnership; Assessment Team 2009
- Information and outreach for recovery ministries both inside and outside our walls

To Maintain a safe and reliable approach to the delivery of help

- Seek outside funding (large gift donors, fundraising events, grants)
- Maintain Celebrate Recovery authentic programs with trained leadership
