Welcome

We are glad you are here today, worshipping with this community of friends. As we gather together each week, we anticipate God's revelation to us through Scripture and song. It is our desire that you will not be a spectator, but a participant in the contemplation and celebration of God's character, His mercy and His love. May God richly bless you as you worship, and may the peace of Christ be with you.

Congratulations to the class of '09!
